

When your  
gift  
doesn't extend to  
running a business  
or advancing a career,  
please consult with me.

I've been working with  
gifted people  
since 1983.

For a confidential,  
no cost,  
no obligation  
conversation,  
please call  
713.932.7495 x 13  
and ask for Dean.
